5.2 The DfE does not consider a holiday to be an exceptional circumstance. However, the Head may be allowed some discretion.

5.3 A child of non-compulsory age may be allowed absence for sessions that are not timetabled.

5.4 Pupils may attend approved offsite extracurricular or sporting activities.

5.5 An unauthorised absence classification is given to a child away from school without permission; in this instance the parent or guardian has not provided a legitimate reason for absence.

7 Rationale

7.1 School attendance is central to raising standards in education and ensuring all pupils can fulfil their potential. The government has set a target of 95% attendance for all pupils (which is considered good attendance). This rate allows for periods of illness or particular circumstances when absence from school is unavoidable. If attendance drops to 90% or lower the government classify the child as having persistent absence (PA) and if attendance is 50% or less the child is classified as severely absence (SA). We want your child to attend school regularly as this supports their learning.

7.2 In the Early Years we allow children an option for morning or afternoon sessions based on the needs of the child.

7.3 Under The School Attendance (Pupil Registration) (England) Regulations 2024, the school is responsible for making sure it keeps an attendance register that records which pupils are present at both the start of the morning and the afternoon sessions of the school day. This register will indicate whether an absence was authorised or unauthorised.

7.4 The School Attendance Register must be electronic and must adhere to they are not in school by using the appropriate national attendance and absence codes from regulation 10 of the School Attendance (Pupil Registration) (England) Regulations 2024.

7.5 Registers are legal records and the school will preserve every entry in the attendance or admission register for 6 years from the date the data was entered.

8 Parent Responsibilities

8.1 It is the legal responsibility of every parent to make sure their child receives the education that they are entitled to.

8.2 Parents have a legal duty to ensure their child attends the school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

8.3 We believe that children need to be in school for all sessions, however, we understand that there are exceptional circumstances when a parent may need to request a leave of absence such as a special event or family emergency. In this instances, parents should contact the Head directly (via email) with their request.

9 Unplanned absences

9.1 Class Teachers have responsibility for recording and monitoring the attendance of their respective Form (Year Groups).

9.2 Class Teachers will take their morning registers between 08:30-08:45 and again immediately after lunch at 13:45.

9.3 Exceptions to this may be that afternoon registration is recorded by a colleague or subject specialist in the case of Games and PE for example.

9.4 In the case of illness (or lateness), parents should adhere to school guidance on absence due to illness and contact the school via email (or directly to the Class Teacher via Class Dojo) by 08:30 stating the reason for absence.

9.5 For medical appointments, the school should be notified no less than 1 day in advance of the appointment.

9.6 Absences are reported by the Class Teachers to the School Administrator each morning and afternoon. The School Administrator will notify the Headteacher if and when an absence is consistent and/or not authorised.

9.7 Where no notification of absence has been given, the School Administrator will contact parents as close to 09:00 as possible.

9.8 A doctor's note may be requested after a period of 7 days of continual absence (including weekends and bank holidays)

10 Monitoring and Review

10.1 School attendance is central to raising standards in education and ensuring all pupils can fulfil their potential.

10.2 The School Administrator is the school's designated Attendance Officer.

10.3 The School Administrator will monitor and analyse weekly attendance patterns and trends and deliver intervention and support in a targeted way to pupils and families.

10.4 The School Attendance Officer will conduct thorough analysis of termly, and full year data to identify patterns and trends and benchmark attendance data (at whole school, year group and cohort level) against national levels to identify areas of focus for improvement as well as devise specific strategies to address areas of poor attendance identified through data and monitor the impact of school wide attendance efforts, including any specific strategies implemented. The findings should then be used to evaluate approaches or inform future strategies.

11 Children missing or absent from education (see also Safeguarding and Child Protection Policy)

11.1 Unexplainable and/or persistent absences from education can act as a vital warning sign of a range of safeguarding possibilities. School attendance registers are carefully monitored to identify any trends. Action should be taken in accordance with the safeguarding policy if any absence of a pupil from the School gives rise to a concern about their welfare.

11.2 Where reasonably possible the School will hold more than one emergency contact for each pupil.

11.3 The School shall inform the local authority of any pupil who is going to be added to or deleted from the School's admission register at non- standard transition points in accordance with the requirements of the Education (Pupil Registration) (England) Regulations 2006 (as amended). This will assist the local authority to:

11.3.1 fulfil its duty to identify children of compulsory school age who are missing or persistently absent from education; and

11.3.2 follow up with any child who might be in danger of not receiving an education and who might be at risk of abuse, neglect or radicalisation.

11.4 The School shall inform the local authority of any pupil who:

11.4.1 fails to attend School regularly; or

11.4.2 has been absent without the School's permission for a continuous period of ten school days or more, at such intervals as are agreed between the School and the local authority (or in default of such agreement, at intervals determined by the Secretary of State).

11.5 When a parent indicates that they wish to educate their child at home in which case the school, local authority and other key professionals will work together. This is especially important if the child has special educational needs or disabilities or has a social worker. The School will inform the local authority of all deletions from their admission register when a child is taken off roll, including any child enrolled in Elective Home Education (ELE).
