Introduction

The health, safety and welfare of all the children in our school are of fundamental importance. We aim to provide a safe and secure environment for everyone. EYFS children will be under direct adult supervision at all times. EYFS adult to child ratios will be adhered to.

Responsibility during the school day

Registration

Reception

The responsibility to ensure that a child attends school regularly is that of the parents or carer. Each class is registered at 8:45 and 1:45.

Nursery

Registration takes place at the beginning of each session: 8:45 and 12:20.

The school office keeps emergency contact telephone numbers. Parents/carers are asked to contact the school office before 10.00am on the first day of absence.

Site Safety

Reception

The three gates of the school are locked except for when parents are dropping off children between 8:20 – 8:40 and when collecting children from school at the end of the day 3:20 to 3:30.

Nursery

Beginning and end of school day; parents may enter by the two main gates. When collecting children at 11:40 or dropping off at 12:20 parents must use the Nursery access gate in Deepdene.

Children are not allowed off site during school hours unless parents/carers notify the Office.

Reception

Parents/carers must sign their child out from the school office; the child is then brought to the House.
