Introduction

The health, safety and welfare of all the children in our school are of fundamental importance. We aim to provide a safe and secure environment for everyone.

Responsibility during the school day

Registration

The responsibility to ensure that a child attends school regularly is that of the parents or carer. Each class is registered at 8:45 and 1:45 The school office keeps emergency contact telephone numbers. Parents/carers are asked to contact the school office before 10.00am on the first day of absence.

Site Safety

The two gates of the school are locked except for when parents are dropping off children between 8:30 – 8:40 and when collecting children from school at the end of the day.

Children are not allowed off site during school hours unless parents/carers notify the Office. Parents/carers must sign their child out from the school office; the child is then brought to the House.
